

“Neuro-Transformational Strategies (NTS)” - AUDIO PROGRAM

What is it?

A twin CD pack where Ian and Karina Stephens, co-founders of ‘Neuro-Transformational Strategies’© introduce you to powerful, yet simple process to re-wire your sub-conscious thinking. Together, Ian and Karina step you through how to adjust your ‘Values Hierarchy’ and ‘Re-wire Limiting Beliefs’.

Why have it?

This CD program puts two very powerful tools in your own hands. You can down-load a support work-book from the authors web-site. This audio program equips you with practical tools you can use time and time again during the course of your life when you need to challenge limiting beliefs and adjust your value system.

Content

This Audio program teaches you how to:

- Change and re-wire limiting beliefs
- Work with, and adjust your ‘Values’ hierarchy
- Understand your ‘Representational System’
- Harness the power of your sub-conscious mind in all areas of life, leadership and self-leadership.
